Stéphane Houdayer

UX/UI Designer

Berlin, Germany
stephanehoudayer.com
stephanehoudayerdesign@gmail.com

Berlin-based French citizen, communication expert pursuing a career as a UX UI designer. I use my creative passion for design to create impactful and « delightful » user-centered products. From research phase to prototype and developer hand-off I bring every project dedication, ability to produce quality work under short amount of time and eagerness to learn from everyone.

Design experience

Ironhack Paris & Ironhack Berlin 2019

UX/UI design Teacher Assistant

Three consecutive 9 week-intensive bootcamps
• Managing junior designer groups
• Giving lectures about design thinking process
• Technical workshops on prototyping tools (Sketch, Invision, Principle)

UX/UI Design projects 2019

• **ABC Company** - e-commerce platform/grocery service
• **Carpe Diem** - wellness app for digital disconnection
• **What's The Plan** - AI-based recommendation and events planning app

All projects based w/ verified insights & user research. Wireframes and animations with Sketch, Invision, Principle. Read all case studies on medium.com/@houdayer.stephane
